2023 Professional Development Scholarship

Apra Mo/Kan is excited to bring back our initiative to allow our members even more opportunities to grow in their careers. Apra Mo/Kan is pleased to offer two (2) \$500 scholarships to be used for any professional development opportunity. Are you interested in attending an AFP event? Maybe you need funds to attend a webinar or purchase educational reading material! Or are you in higher ed and looking to go to a CASE conference? Whatever your interest, we are here to help!

To celebrate our pursuit of knowledge and continue to grow professionals in our area, we are proud to award two scholarships to two different individuals for 2023. In return, the chosen recipients will need to write a guest blog for the Chapter detailing what they learned from this opportunity.

These scholarship opportunities have no deadline and will be awarded on a first come, first served basis.

CRITERIA

- You must be a current, dues-paying member of the Apra Missouri/Kansas Chapter
- You have fully completed the application
- You have added a brief, typed document stating financial need and ways you and your institution can benefit from the opportunity you have chosen

The recipient will be chosen by the Apra Missouri/Kansas board, and the winner will be notified by Michelle Brownlee. Applications can be submitted via email.
